

Association for Tropical Lepidoptera, Inc.

The Association for Tropical Lepidoptera is a non-profit scientific society and educational membership organization, founded in 1989 to promote the study and conservation of Lepidoptera worldwide, especially in the tropical regions of the world. ATL currently publishes the full-color biannual scientific journal *Tropical Lepidoptera Research*. Membership in the Association for Tropical Lepidoptera is open to anyone interested in moths and butterflies, with emphasis on tropical species, their study and conservation.
